

Woodland Heights Middle School Sign Sponsorship Program

*The ideal way to help Woodland
Heights Middle School students
while advertising your own business!*

Woodland Heights Middle School PTSO is offering a fantastic way for you to advertise your business while raising funds for much needed school items. As you may be aware, our school is in continual need of monetary assistance in order to provide educational tools for students and staff. All proceeds go directly back into the PTSO fund. With the help of local businesses, we have been able to provide our school with items such as calculators, books, sports equipment, and more. With your help, we can continue to provide these items to enhance the educational lives of students.

How Does it Work? Advertising opportunities are located inside the new WHMS gymnasium and/or an outside location on the new WHMS campus. All pricing is for **one full year** with a discounted renewal option after the first year. A sign is included in the annual cost, as well as all required maintenance.

Indoor Gymnasium Sponsorship: Signs hung within the gymnasium are **\$800 for the first year and \$600 for renewals**. More than 650 students see these signs every day. Additionally, the public sees these signs during all WHMS school events and during local recreational league games, such as SIAA sports.

Outside Fence Sponsorship: Signage on an outside light pole in the Woodland Heights Middle School front parking lot. A **one-year display is available for \$800 with the opportunity to renew at a discounted rate of \$600 per year, thereafter**. WHMS is adjoining WHES on the Woodland Heights campus, with over 1450 total students on campus.

Sponsorship Combination Package: For those interested in advertising both

indoors and out, you may choose the combination package of **two signs for \$1,400 with a \$1,000 renewal rate.**

We hope that you will consider supporting our school and choose the option that best suits the needs of your business. As always, our students, parents, and staff greatly appreciate these contributions. We are thankful for all you do for us and are happy to answer any questions you may have in regards to these options.
